

You can access your Sunbelt Finance account from anywhere using your Android or Apple mobile device. Open the mobile device's web browser and go to the website m.clientlogin.winfactor.com. You then simply enter your user name and password to access your account.

The mobile site allows you to:

- Perform an invoice search
- Enter an invoice
- Upload a document
- Perform a customer search
- Check your rebate balance.

You can create a shortcut to your account by following the instructions on the following pages for an Android or Apple devices.

Should you have any questions, please contact your account representative.

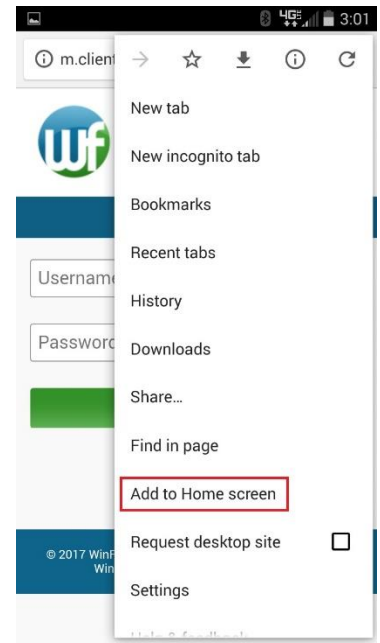

Step 1 - Launch Chrome for Android and open the website m.clientlogin.winfactor.com

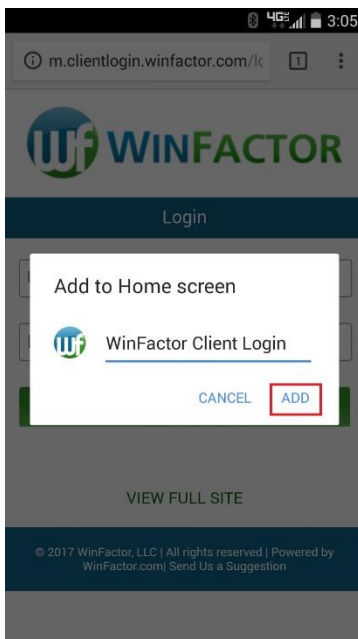

Step 2 - Tap the Menu button

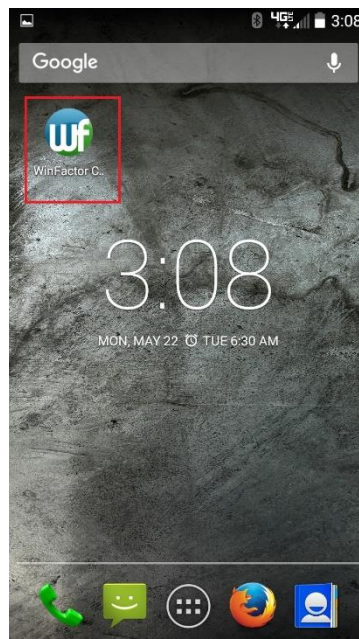

Step 3 - Tap the Add to Home Screen

Step 4 - Tap the Add button

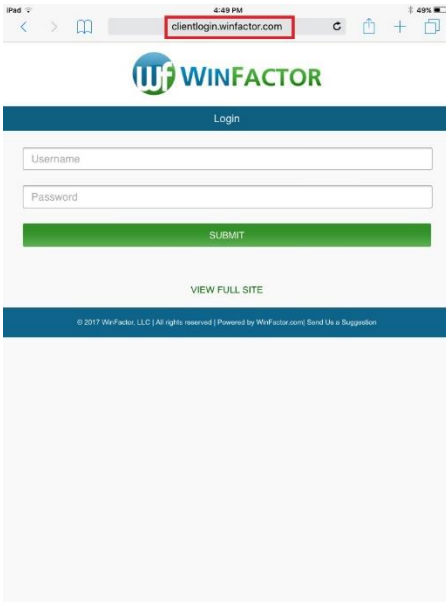

Step 5 - The short cut will now appear on your phone's home screen ... ready to use
